

GAME FACE PRODUCTIONS

*Quality HD Video Productions that
won't break your budget*

DOES YOUR EVENT DESERVE TO BE SEEN AGAIN AND AGAIN?

At Game Face Productions, our fully HD production vehicle can provide you with a fantastic, broadcast-quality DVD or Blu-ray of your event. We specialize in live, multi-angle productions. Up to eight cameras can be switched in real-time, meaning there is very little time needed in post-production before your event is finished, manufactured, and back to you and your client.

WE HANDLE EVERY ASPECT OF THE PROJECT.

From taking orders to designing the DVD and Blu-ray packaging, to manufacturing and

fulfillment, Game Face Productions takes care of you every step of the way. All DVDs and Blu-rays come in professional, shrink-wrapped, retail-ready packaging. Your clients can even order directly on our website!
